

Sunseeker Germany

Sunseeker Germany has been working with Universal Maritime for the last two years.

In particular in 2015 they arranged delivery of 5 new Sunseekers to and from the Düsseldorf boat show.

I have found their knowledge and experience of the marine industry puts them in a position to ensure our yachts get the best possible care, and their organisation and professionalism before, during and after the delivery makes the process feel very easy and reassuring for us and our clients.

Many thanks!
